G.I.F.T.

WHO WE ARE

Generating Income For Tomorrow (G.I.F.T. aka KC G.I.F.T.) is a 501c3 nonprofit corporation. Our core mission is to close our local racial wealth gap, reduce poverty related crime, and provide economic opportunity for the Black Community. We do this by providing grants and technical support to Black-owned businesses that operate in the historically redline areas of KC.

GRANT PROGRAM

Our grant program provides business grant to for profit, Black owned businesses, located and operation east of Troost Ave. Grant amounts range from \$10,000 to \$50,000. We also provide a years' worth of Technical Assistance to all grantees. This includes business coaching, bookkeeping, legal and marketing support.

BUSINESS CENTER

We also have a 7,500 square foot business center that provides one-on-one services such as business coaching, marketing strategy, website development, QuickBooks set up, and legal consulting to anyone in the greater KC area that owns, or wants to start a business, through one highly accessible location. To supplement the one-on-one offerings, we provide a plethora of group classes, as well as amenities like coworking space, headshots, studio space, and onsite banking. This is all provided completely free of charge to anyone that wants to use the services, no matter what race, ethnicity, or any other identifying factor. Our business center is located at 5008 Prospect Avenue.

G.I.F.T. GRANT PROGRAM WORKS!

In 4 years, we have given out \$1,679,000 to 70 different Black-owned businesses, resulting in the creation of 135 new jobs that pay an average hourly wage of \$16.06/hours, and our grant recipients have experienced an average growth in revenue of 209%. ➔ A Space for Growth: Business Support That Matters

“I really appreciate the services you offer to businesses for free. You will never know how impactful it has been to utilize your space to hold meetings and work on projects. It’s been a place of productivity and stability for me, especially since we’re waiting to move into our offices. THANK YOU!!!! Your service to the community is invaluable.”

➔ A Blessing for Startups: Professional Space, No Cost

“As a startup founder I am always trying to keep overhead down. Since we do all of our work on accessibility in the client’s home, we don’t really

need a formal office space. But it is really nice to now be able to have a professional place to hold interviews and meetings that I don’t necessarily want to occur in my home office. And the fact that it is free is such a blessing.

Dr. Brandy Archie, AccessAble Living

➔ Inspired to Achieve: A Vision Realized

“I appreciate everything you do to help the vision become a reality. I left feeling inspired to achieve my goals of

becoming my own boss as well as being a part of history taking place for people who look like me in my community.”

TRANSFORMING DREAMS INTO REALITY: TESTIMONIALS FROM OUR COMMUNITY

“I found GIFT via a Facebook post. It was an interview posted on Great Day KC. When I heard about the one-on-one business coaching and banking opportunities, I was sold. I came into the facility the same day. I got a tour of the building and got to speak directly to the founders. One day later... I have a fully functioning website!! I received one-on-one help and was set up within an hour. This is a one stop shop for entrepreneurs at any stage of their business. If this is just the beginning, I am excited to see what’s in store. Thank you, Kansas City G.I.F.T.”

DONATE TODAY

Back in 2020, we set out with a mission: to take action and enact real change. We believed that by fostering Black businesses in Black communities, we could create jobs and spark an economic engine in one of the most disenfranchised areas of Kansas City. Now, after three years in operation, we can definitively proclaim, "IT'S WORKING!" We've witnessed businesses launch, grow, and generate jobs within the Black Community.

However, maintaining this momentum requires sustained community support. Our operating philosophy hinges on the idea: "If 15,000 people donated \$10 a month." Thousands have already heeded that call, but we still need many more to bridge the remaining gap. Individual donors comprise the lion's share of our funding, with over 3,300 individuals currently backing our cause. We urge more residents of Kansas City, regardless of race, to join that 15,000-strong collective and help create a brighter, more equitable K.C. for all.
